## **Remote Learning with Kami: For Students**

Getting started with Kami's integration with Canvas

### Step 1

- Install the Kami Chrome Extension in your Google Chrome Browser ([kami.app/extension](https://chrome.google.com/webstore/detail/kami/kami-app-extension))
- Click the Add to Chrome button, then Add Extension

### Step 2

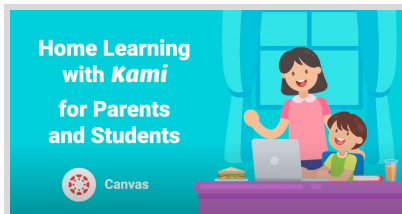

- Open the Kami app by going to <https://web.kamiapp.com>

### Step 3

- Sign in using your school's Google account using the with Google button.

### Step 4

- For additional assistance with utilizing Kami in Canvas, you may watch the step-by-step tutorial video by visiting the website below.
