OUR HERITAGE

As the Spartans of early Greece were considered outstanding, so are the Spartans of today. True to our heritage, we try to uphold the virtues of old and add new virtues of our own. Just as honor, fitness, good sportsmanship, and a sense of fair play guided our forebears, they still guide us today. To these we add our own virtues of hope, understanding of our fellow man, and a quest for peace.

The sword was used to drive forward in battle as the Spartans advanced toward victory. It is this type of determination that makes the Youree Spartans strive for the highest goals in everything, despite the obstacles or the competition.

VISION STATEMENT

Youree Drive Middle AP Magnet School, a nationally recognized school of academic excellence and achievement, moves forward embracing the challenges of a more diversified and technologically driven community of learners. We acknowledge the various learning styles of students and the necessity to meet their needs through cutting-edge technology, differentiated curricula, and specialized learning environments. This will be accomplished through professional development workshops, and cooperative administrative and staff planning. Youree Drive administrators, teachers, and staff also recognize the importance of parental and community involvement by continuing to promote a strong school PTSA. It is our hope that by creating a safe, nurturing, learning environment that promotes respect of both students and teachers, we will prepare our students for the 21st century.

Student Behavior Contract

Dear Students, Parents, and Guardians,

As the school year begins, we would like to stress the importance of good behavior, attendance, and academic readiness. It is important for students to be in their classes on a daily basis. Regular classroom attendance and participation will help to ensure student success in class as well as on standardized tests.

Our school wide expectations state that Spartans are, “Prompt, Prepared, and Polite.” In our efforts to provide an educational environment conducive to learning, we feel that students who exhibit appropriate behavior should be rewarded. These students earn the right to participate in various extracurricular activities. If a student fails to act appropriately, this will result in him/her being removed from extracurricular activities during that nine week period. These activities include participation in any athletic, individual or team activities, cheerleading, band, and choir. It also includes attending any dance, concert, athletic event, class event such as field trips, and grade level events.

The disciplinary infraction levels are as follows:

1. One out of school suspension will automatically result in a removal from activities during that nine week period.
2. Three or more days in ISS will result in a removal from activities during that nine week period.
3. Students with more than 5 unexcused absences will result in removal from activities during that nine week period.
4. Students with an F in any class will result in removal from activities during that nine week period.
5. Having unpaid fines or lost school items (books, uniforms, etc) will result in removal until paid.
6. Failure to return this contract will result in removal from activities.
7. Being picked up late from one after school activity will exclude you from future activities.

The faculty and staff work diligently to provide enriching extracurricular activities to our students. The right to participate in these activities is a privilege which in turn promotes responsibility. Research indicates that student participation in extracurricular activities fosters success in school and other facets of life.

We look forward to a pleasant and enriching school year! Please return this document signed to your 7th period teacher.

Sincerely,

Maria Edwards
Principal

ADVANCED PLACEMENT MAGNET PROGRAM

Our AP Magnet Program includes a rigorous and challenging curriculum in all subjects that will offer high-achieving students an opportunity to be involved in advanced classes with highly qualified teachers, advanced labs, field trips, and extensive hands-on experiences. All magnet testing and placement decisions are made at the district level.

ATTENDANCE

ABSENCES:

Absences should be reported by the parent/guardian to the office before 8:00 A.M. on the day the student is absent. Parents will be called by JCAMPUS to verify their child's absence if the absence has not been reported by a parent. This is to confirm that the parent is aware that the student is absent and to request an explanation for the absence. Calling the school to report an absence does not excuse an absence unless a doctor's excuse is on file or the absence falls under the excused absence category.

According to the compulsory school attendance law, a middle school student must be present at least 167 days per school year to be eligible for promotion. An absence will not count against the total number of required days when the absence is due to: (1) personal illness of student or family member (when verified by a physician); (2) death in the immediate family; (3) certain recognized religious holidays; (4) natural catastrophe and/or disaster; or (5) attending school approved activities.

EXCUSED ABSENCES:

As specified in the Caddo Parish Discipline Policy, absences due to personal illness are only excused with a doctor's note or a parent's note within two school days after returning to school. Doctor's excuses and notes from parents must be brought to the front office when the student returns to school before going to class. When a student returns to school after an excused absence, he/she has three days or a number of days equal to the number of days of consecutive absences, whichever is greater, following his/her return to class to make up his/her work. It is the student's responsibility to secure any and all assignments after an absence and see that they are turned in within the time allotted.

Youree Drive office staff and administration reserve the right to deny an excused absence based on a parent note if those notes are excessive (more than 5) in number during the semester. Students with more than 3 consecutive days of absences must have a doctor's excuse upon returning to school. Parents may dispute the decision directly with the CPSB attendance department if denied at the school level.

CHECKING OUT OF SCHOOL

When it is necessary for a student to leave school before dismissal time, a parent/guardian should call the office to notify the school that the student will be checking out. Parents will need to report to the front office breezeway to check-out the student. Such a check-out will require a signature and/or picture ID. Please maintain social distancing and wear your mask. The procedures for check-outs are:

- The parent/guardian must report to the front office breezeway and sign the check-out log.
- Identification must be presented upon request.
- If anyone other than the parent/guardian is to be sent to check-out a student, a note signed by the parent/guardian and identification will be required. A phone call will be placed to the parent/guardian in the absence of a note.
- If a student knows that he/she needs to check-out in advance, a parent note should be brought to the front office no later than 8:00 a.m. (The parent note must contain the student's name, date, time, and phone number and name of the parent/guardian). The office staff will call the parent before the designated time to verify the check-out.

● **There will be no check-outs after 3:00 P.M.**

If a student becomes ill and needs to check-out, the teacher will send a check out request form to the office or may allow the student to call home from the classroom. Once the parent arrives on campus the student will be called from class to check-out.

Doctor and dental appointments, personal illness of student or serious illness in the immediate family (when verified by a physician), death in the family, religious holidays, or school sponsored meetings are the only check-outs that will be excused.

COVID-19: In accordance with State and District guidelines students will have temperatures taken and monitored for symptoms upon arrival at school. Those students deemed symptomatic will be directed to our school quarantine area and parents/guardians will be notified to pick up the student from campus.

A parent/guardian who suspects that some unauthorized person may try to check-out a student should notify the school office. Unless the school has legal custody papers on file, a child will be released to either natural parent.

LATE TO SCHOOL

After 8:20 a.m., students arriving at school will check in through the front office and be marked "late to school." All students arriving after 8:20 a.m. will arrive to class with a note from the front office. A child will never be marked late to school if he/she arrives late on a CPSB school bus.

Personal illness, doctors appointments, or death in the family are the **ONLY** excused check-ins. A parent walking in with their child does not constitute an excused check-in. Documentation must be provided within two days of the late to school entry in order to be excused.

Discipline for unexcused late to school entry as follows:

- 1st offense- Warning and parent contact
- 2nd offense- Lunch Detention(s)
- 3rd offense- After school detention(s)
- 4th offense- Referral to administration and 1 day ISS
- 5th offense- 2 days ISS
- 6th offense- 1 day OSS
- 7th offense: 2 days OSS
- Additional offenses will result in district level involvement

Students with a pattern of late to school infractions will be referred to the CPSB attendance department for truancy.

TARDIES

Every student at Youree Drive Middle School is responsible for getting to class on time. Learning to be on time is a very important lesson for middle school students. It is our responsibility to help them with this lesson. Students are expected to be in their seats when the tardy bell rings. Students will be rewarded for having no tardies each nine week period, which will be discussed at the beginning of the school year.

Tardies will accumulate each week. Reports will be run each Friday and discipline will be assigned accordingly.

- 2-3 tardies- 1 lunch detention
- 4-5 tardies- 1day after school detention
- 6 or more- 1 day ISS

SUSPENDED DAYS:

Suspended days are unexcused absences however, make-up work is allowed according to the attendance policy for Caddo Parish Schools. The teacher is allowed to give make-up work for 50% of the grade.

UNEXCUSED ABSENCES:

These absences are not confirmed by written documentation and will count against the total number of days students must be present at school. Make up classwork is at the teacher's discretion.

Please make sure your phone numbers are always correct in the JCAMPUS system to ensure you are receiving important information and updates from the school.
